

EFS-09E12M DWPB 12VDC 0.23A 90x90x25mm DC Axial Fan Datasheet

Brand: DWPB

SKU: 1048727716849

Category: Axial & Centrifugal Fans

Price: \$12.86

E-mail: sales@equipspares.com

Product Description

DWPB EFS-09E12M 90 mm x 90 mm x 25 mm 12 VDC 0.23 A DC axial cooling fan features a standardized 9025 form factor and a 2-wire termination interface for direct power delivery. Engineered with a high-efficiency motor, the unit provides substantial volumetric output while maintaining a low acoustic profile during continuous operation. The physical housing and impeller are constructed from durable thermoplastic materials designed to withstand sustained thermal loads without deformation.

EFS-09E12M Specifications

Model Number: EFS-09E12M

Brand: DWPB

Product Category: DC Axial Cooling Fan

Nominal Voltage: 12 VDC

Rated Current: 0.23 A

Dimensions: 90 mm x 90 mm x 25 mm

Form Factor: 9025

Termination: 2-Wire

Connector Type: 2-Pin

Acoustic Profile: Low Noise

Airflow Characteristic: High Volume

Condition: New Old Stock (NOS)

EFS-09E12M Applications

Primary applications include integration into industrial power supplies, variable frequency drives (VFDs), and automated control panel chassis. Deployed within server racks and telecommunication base stations to provide active thermal management for high-density electronic components.
